Finna virk söfn í Institution Zone (IZ)

The screenshot displays the ExLibris Alma Production interface. At the top left is the ExLibris logo. The top navigation bar includes a search icon, a dropdown menu for "Electronic collection", a search input field containing "Electronic Collection Name", and a home icon. A sidebar on the left contains navigation links for Alma Production, Acquisitions, Resources, Fulfillment, Admin, and Analytics. The main content area shows a welcome message for "Telma Rós Sigfúsdóttir" dated "09/06/2021". Below this are links for "Recent Pages" and "My Electronic Resources by ..." under "Resource Management". A "Keep Up With Alma" notification box is visible, featuring a section titled "RFID Multi-Scan Function" with text about configuring RFID readers to scan multiple items. The notification also includes links to "See more exciting new features!" and "Share your great ideas with us and help us improve Alma!".

Keep Up With Alma

RFID Multi-Scan Function

Did you know that you can now configure your RFID reader to scan more than one item at a time? When the new 'Handle Multiple Items' check box on the RFID integration profile is selected, the integration profile will accept multiple items on the RFID reader. See: [Scanning Multiple Items](#) for more information.

See more exciting new features!
Share your great ideas with us and help us improve Alma!

The screenshot displays the ExLibris Alma Production interface. The top navigation bar includes the ExLibris logo, a search bar with the text 'Electronic collection', and a search button. The left sidebar contains navigation icons for Alma Production, Acquisitions, Resources, Fulfillment, Admin, and Analytics. The main content area shows a list of 'Electronic Collections (1 - 50 of 336)'. The first collection, 'Academic Journals Free', is selected and its details are shown. The details include: Type: Selective package; Services: Full Text (Available); Interface name: Academic Journals Free; Linking Level: Volume; Creation Date: 28/11/2019 24:00:00 GMT; Modification Date: 05/05/2021 16:21:23 GMT; Provider coverage: No; Search Rights in CDI: Free; Full Text Rights in CDI: OpenAccess; Full Text Linking in CDI: Linkresolver; CDI Type: Full Text Collection. The Collection ID is 6128240060006887 and the MMS ID is 9916045688606887. The second collection, 'ACM Digital Library Complete', is also visible with its details. A list of bullet points is overlaid on the right side of the screenshot.

The screenshot shows the ExLibris search interface. The top navigation bar includes the ExLibris logo, a search icon, and a dropdown menu for "Electronic collection". Below this, the search criteria are displayed: "Search in: Electronic collection", "Zone: Institution" (selected), "Network", and "Community". The main search area contains three dropdown menus: "Electronic Collection: Electronic Collec", "Equals", and "Selective package". A "Clear form" link and a "Search" button are also visible.

My Electronic Resource by Provider

The navigation menu is located on the left side of the ExLibris interface. It features a dark blue sidebar with icons and labels for various functions: Alma Production, Acquisitions, Resources (highlighted in a lighter blue), Fulfillment, Admin, and Analytics. To the right of the sidebar, a white area lists specific actions under each category. The 'Resources' section is expanded, showing options like 'Cataloging', 'Open Metadata Editor', 'Search Resources', 'Browse Bibliographic Headings', 'Browse Shelf Listing', 'Authority Control Task List', and 'Reminders'. Below this, there are sections for 'Create Inventory' (Add Local Electronic Collection, Add Local Portfolio, Add Physical Item) and 'Manage Inventory' (Community Zone Updates Task List, Manage Electronic Resource Activation, Network Harvesting Report List). The 'My Electronic Resources by Provider Shelf Report' is highlighted with a star icon and a mouse cursor.
